## NEW SMALL BUSINESS GROWTH AND EXPANSION CREATING NEW TAX REVENUES

Capital Street Business News is being established in Emerging Markets and Developing Countries to help Small Manufacturing Businesses to Expand and Grow to Create Jobs.

It is the recommendation of our Worldwide Economic Development Consultants for Emerging Markets and Developing Countries to establish a New Business Tax Assessment – Tax Revenue Collected Lock Box. Whereby, all of the New Manufacturing Businesses and all Small Businesses, that are Created as a direct result of the Economic Development Initiatives of Capital Street Business News, will be placed in a specific Tax Comptroller Lock Box, to be used only for Ocean Water Desalination Processing Plant Development and Flood Water Control River Levee Systems and Flood Water Retention Ponds.

Tax Revenues earmarked for the Tax Lock Box should not be commingled with General Tax Revenues . . .
